

## ADDENDUM

On or about March 25, 2015, the Town of Rhinebeck ("Town") sent out a Request For Proposal ("RFP") for an asbestos removal plan, project monitoring and air sampling in the Boiler/Utility Room at the Town of Rhinebeck Town Hall.

In that RFP, the requisite insurance to be provided by the successful bidder required a \$5,000,000 Umbrella Liability Policy. The Town is deleting that requirement.

In addition, the RFP had a contemplated time schedule of signing an Agreement on April 27, 2015, and requiring the Asbestos Removal Plan to be produced on or before May 6, 2015. The Town will consider proposals providing additional time to produce the asbestos removal plan after the signing of the Agreement. Thus, the Town will not foreclose Vendors who need a few more days to produce such a plan. If you need more time, please so state in your response to the RFP, which is due to be received . on or before Tuesday, April 21, 2015 at 12:00 PM by:

Mr. Jon Gautier  
Rhinebeck Town Clerk
