RESOLVED, that the Supervisor is authorized to execute a contract with Mr. Connolly in substantially the same form as that attached.

**TOWN OF RHINEBECK RECREATION PARK
CONCESSION STAND LICENSE AGREEMENT**

THIS AGREEMENT made this ____ day of June, 2015 by and between the **TOWN OF RHINEBECK**, a municipal corporation, having its principal offices at the Town Hall, 80 East Main Street, Rhinebeck, New York 12572, (“**LICENSOR**”) and **EVAN CONNOLLY**, d/b/a **RHINEBECK SNACK SHACK**, having its principal offices at One Traver Lane, Rhinebeck, New York 12572 (“**LICENSEE**”)

WITNESSETH:

WHEREAS, **LICENSOR** is the owner of a public park known as the Thomas Thompson – Sally Mazzarella Recreation Park, Rhinebeck, New York; and

WHEREAS, **LICENSOR** desires to make a food concession available to the public using this park; and

WHEREAS, **LICENSEE** desires to operate and manage the aforesaid food concession; and

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions hereafter set forth, the parties agree as follows:

1. **LICENSOR** hereby grants to **LICENSEE** and **LICENSEE** hereby accepts from the **LICENSOR** a License to manage and operate for a period herein stated and subject to all the terms and conditions herein contained, the following described License for the privilege of operating a food concession at the Thomas Thompson - Sally Mazzarella Recreation Park, Rhinebeck, New York. It is understood and agreed between the parties that this agreement is intended to only be a License to utilize the above-described premises and no part thereof shall be interpreted as being any form of lease agreement.

2. Said food concession shall include and be limited to the privilege of furnishing basic food service and the sale of sundry items providing, however, that such sale does not violate any other state or local statute, rule, or regulation, and all food sold shall be of good quality. It is expected that the **LICENSEE** will offer a variety of food and non-alcoholic beverage items,

including but not limited to hot dogs, pizza, salads, yogurt, soft drinks, ice cream, candy, and healthful snacks. Annexed hereto, as Appendix "A" is a proposed menu and listing of items for sale by the LICENSEE. The LICENSEE hereby agrees to offer a menu of food items the same or substantially the same to the menu attached as Appendix "A" and to maintain a menu of food items at reasonable prices affordable by the general public. The LICENSEE shall not be permitted to sell beverages in bottles or cans but must use paper cups (no styrofoam cups shall be permitted).

3. The term of this License shall commence upon the execution of this agreement with the understanding that the Concession Stand will be open for operation commencing June ____, 2015 through and including September 1, 2015. This License shall terminate for the purpose of selling any products to the general public at 6:00 p.m. on September 1, 2015, unless sooner terminated as herein provided, or unless the LICENSOR by five (5) days notice in writing shall terminate the License, when and if, in its sole judgment, is deemed that such termination is necessary by operation of law, or pursuant to the terms of this agreement, or deemed that the License premises is required for another Town purpose or purposes.

4. LICENSEE agrees to operate the concession for the accommodation of the public using the public park, during the following specified hours during the 2015 season commencing June ____, 2015 through June 22, 2015 on weekends only between the hours of 1:00 p.m. and 6:00 p.m. and daily thereafter commencing June 22, 2009 through September 1, 2015 (full week and day) between the hours of 9:00 a.m. and 6:00 p.m..

5. LICENSEE shall pay the LICENSOR, as compensation for the privilege, granted pursuant to this License Agreement, of operating the concession at the Thomas Thompson - Sally Mazzarella Recreation Park in the amount of \$1.00 for the 2015 season. The LICENSEE shall pay the full amount upon execution of this License. The LICENSOR has set the fee at \$1.00 in due recognition of the fact that the operation of a concession stand at the Park will result in a public benefit for the community and the users of the Park and that, in the past, concessionaires have had a difficult time in operating the concession at a profit.

6. The LICENSEE shall have exclusive right to operate the concession stand at the Thompson-Mazzarella Community Park Pool. The Town will not permit other vendors of food and beverage to operate at said park pool during the term of this concession stand License. At all home meets, the swim team may sell any food item not explicitly listed on the menu attached at Appendix A. Updates to the Concession Menu not included as appendix A will not be a part of this exclusion. LICENSEE may post approved advertising promoting catering services for events planned at the Community Park Pool and may arrange such services. Individuals and groups may bring in food and non alcoholic-beverage for their own consumption.

7. The LICENSOR will provide suitable space and equipment at the Recreation Park for use as a concession stand. The LICENSEE must supply a listing including electrical rating on any equipment that will be used beyond that provided by the Town. The LICENSEE may install such additional equipment as they deem necessary for the proper operation of this License and shall make full payment for the same and shall maintain all equipment, fixed and expendable, in good order and repair at LICENSEE's sole cost and expense during the term of

this License, subject to prior written notice and approval by LICENSOR which shall not be unreasonably withheld and inspection and approval by LICENSOR. It is further agreed that LICENSEE will, within ten (10) days, discharge any and all mechanics liens filed against the premises herein above described which may be filed relative to LICENSEE's operations thereon. Any equipment to be used by the LICENSEE must be UL approved. The LICENSOR will be responsible for repairing and/or replacing equipment, which may be owned by the LICENSOR. A list of items installed and their respective owner's is provided in Appendix B'

8. The LICENSOR will provide a refuse dumpster and receptacles. The LICENSOR will be responsible for dumping the receptacles at the end of the day or sooner as needed upon reasonable notice. The LICENSEE shall maintain the concession stand, the adjacent eating areas policed throughout the day.

9. Title to all equipment existing as of the date hereof, at the licensed premises, shall be and remain in the LICENSOR. LICENSEE shall make use of any and all such equipment during the term of the License, and further acknowledge that they accept such equipment in "as is" condition as of the date of this Agreement. LICENSEE shall return it to LICENSOR in good working order, reasonable wear and tear excepted, at the end of this License as provided herein. Title to all equipment provided by LICENSEE, shall remain in LICENSEE and such equipment shall be removed by LICENSEE at the termination of this License. Should any such property remain on the License premises after the expiration or termination of the License Agreement, the LICENSOR may deal with such as though it had been abandoned and charge all costs and expenses incurred in the removal thereof to LICENSEE. It is agreed that any and all damage caused by the removal of such items or equipment to be repaired by the LICENSEE at its own cost and expense.

10. LICENSEE's obligation to observe and perform all the terms, covenants and conditions of this License Agreement shall survive the expiration or the termination thereof.

11. LICENSEE shall not remove any property currently located on the premises, without prior written approval of the LICENSOR.

12. LICENSEE shall procure at LICENSEE own cost and expense all permits and licenses necessary for the legal operation of this License.

13. LICENSEE shall not sell, mortgage, rent, assign, or parcel out the License hereby granted, or any interest therein, or allow or permit any other person or party to use or occupy any part of the premises, building or spaces, covered by this License for any purpose whatsoever without first obtaining the written consent of the LICENSOR, nor shall the License be transferred by operation of law, it being the purpose and spirit of this instrument to grant this License and privilege personally and solely to the LICENSEE herein named.

14. LICENSEE agrees not to employ callers, criers, or use signs or any other means of soliciting business, without the approval of the LICENSOR, and not to advertise said License in any manner or form on or about the premises licensed to it, without such approval.

15. LICENSEE agrees that should any building or structure upon the premises included in this License be damaged by fire, or any other cause whatsoever, so as to prevent the operation of this License to the satisfaction of the LICENSOR, then the LICENSOR, at its option, may, on notice in writing to the LICENSEE cancel and terminate the License, and all rights and privileges hereunder shall cease.

16. LICENSEE shall not use or permit the storage of any illuminating oils, turpentine, benzene, naphtha or similar substances or explosives of any kind or any substance or thing prohibited in the standard policies of fire insurance companies in the State of New York.

17. LICENSEE shall keep all spaces and/or buildings licensed to him and the surrounding area clean and neat at all times including the fumigating, disinfecting and deodorizing of same and all the refuse shall be kept in closed containers.

18. LICENSEE agrees that at all times free access will be given to representatives of LICENSOR, the Department of Health and other state and federal or municipal officials having jurisdiction for inspection purposes. LICENSEE further agrees that if notified by LICENSOR, or its representative that any part of the licensed premises or the facilities thereof is unsatisfactory, LICENSEE will remedy the same at once.

19. LICENSEE assumes all risk in the operation of this License and agrees to comply with all federal, state and local laws and regulations and orders the LICENSOR affecting the licensed premises in regard to all matters.

20. LICENSEE expressly agrees to hold LICENSOR, its agents, officers and employees harmless from any and all claims for loss, damage or injury to person or property whatever kind or nature arising from the operation of this License, or from the negligence or carelessness of employees of LICENSEE and LICENSEE expressly agrees to indemnify LICENSOR, its agents, officers, and employees of any recoveries against them, individually and/or jointly, arising from same.

21. If, at any time, any of said policies shall be or become unsatisfactory to the LICENSOR as to form or substance or if a company issuing such policies shall become unsatisfactory to LICENSOR, LICENSEE shall promptly obtain a new policy, submit the same to LICENSOR for approval and submit certificate thereof as hereinabove provided. Upon failure of LICENSEE to furnish, deliver and maintain such insurance as failure of LICENSEE to furnish, deliver and maintain such insurance as above provided, this License may, at the election of the LICENSOR, be forthwith declared suspended, discontinued, or terminated and any and all payments made by LICENSEE on account of this License shall thereupon be retained LICENSOR as liquidated damages. Failure of LICENSEE to take out and/or maintain or the taking out and/or maintaining of any required insurance shall not relieve LICENSEE from any liability under the License, nor shall the insurance requirements be construed to conflict with the obligations of LICENSEE concerning indemnification. All required insurance must be in effect and continued so during the life of the License in not less than the following amounts:

- (a) Workman's Compensation Insurance, unlimited.

(b) New York State Disability Benefits Policy, unlimited.(furnished through LICENSEE)

In the event that claims in excess of these amount are filed, the amount of such claims, or any portion thereof may be withheld from payment due or to become due LICENSEE until such time as LICENSEE shall furnish such additional security covering such claims as may be determined by LICENSOR.

23. Should LICENSOR, in its sole judgment, decide that LICENSEE is not operating the License granted in a satisfactory manner, then LICENSOR may terminate this License by notice in writing, effective five (5) days from mailing, the License to terminate as though it were the time provided in this License, all rights of LICENSEE therein shall be forfeited without any claims for damages, compensation, refund of LICENSEE investment, if any, or any other payment whatsoever against LICENSEE. The five (5) day notice to terminate this agreement shall include a statement of condition which has caused the notice to be issued and LICENSEE shall have forty-eight (48) hours from the mailing of the notice to cure the condition and require the termination be withdrawn. The forty-eight (48) hour cure period shall be strictly enforced regardless of the nature of the condition to be cured.

24. In the event this License is terminated as aforesaid; any property of the LICENSEE within said licensed area may be held by LICENSOR until all indebtedness of LICENSEE hereunder at the time of termination of this License is paid in full.

25. Where provision is made herein for notice to be given in writing, the same may be given by mailing a copy of such notice to LICENSEE by registered mail, or certified mail, addressed to the address hereinabove or such other address as shall be filed with LICENSOR, or be delivering a copy of said notice to LICENSEE or the manager or LICENSEE, or any other person in charge of licensed premises.

26. LICENSEE at the expiration or sooner termination of this License shall quit and surrender the licensed premises and all property thereon.

27. Neither this License nor any interest created hereby may be assigned or transferred by operation of law or otherwise without the express written consent of the LICENSOR, it being the intention of the LICENSOR to grant this License personally to the LICENSEE.

28. This License can not be changed orally.

TOWN OF RHINEBECK

RESOLUTION NO. 2016109

RESOLUTION ADOPTING LOCAL LAW NO. ___ OF 2016 ENTITLED "A LOCAL LAW REPEALING CHAPTER 125-61 OF THE TOWN OF RHINEBECK CODE"

WHEREAS, the Town's Zoning Code, adopted as Local Law No. 6 of 2009 in December 2009 ("Zoning Law"), contained a Chapter 125-61 titled "Green Building Standards" (Chapter 125-61; and

WHEREAS, under Chapter 125-61 every applicant must submit, with its application for a building permit for the construction of a new home or commercial building, office building, multiple residence or senior citizen multiple residence, (1) a checklist prepared by the U.S. Green Building Council under the applicable standards for specified buildings; or (2) another acceptable rating system; and, under either (1) or (2), achieve certain prescribed ratings before the issuance of a Certificate of Occupancy by the Code Enforcement Officer; and

WHEREAS, the Chapter 125-61 law standards are in addition to the building requirements under the New York State Energy Code for both residential and commercial construction; and

WHEREAS, the Chapter 125-61 law was to become mandatory three years after the Zoning Law became effective, but has been subject to three moratoria – namely Local Law No. 1 of the year 2013, Local Law No. 1 of the year 2014 and Local Law No. 3 of the year 2015; and

WHEREAS, the Town Board enacted these moratoria upon advice from its planning and legal consultants, because the Town was not prepared to implement the Chapter 125-61 law and more time was necessary to study, and possibly amend, the standards of the Chapter 125-61 law and educate Town employees, consultants and boards with regard to implementation of that Law; and

WHEREAS, the Town Board has been informed that the Chapter 125-61 law was enacted in 2009 as part of the Zoning Law without a study of whether such a law setting green building

standards, in addition to state laws regulating building construction, was appropriate for the Town;
and

WHEREAS, since the enactment of Chapter 125-61 several Town Board members have held a symposium to obtain the views of local builders and architects as to the appropriateness of mandatory green building standards in addition to those mandated by state law, and thereafter several Town Board members met with local persons who are knowledgeable about the standards prescribed by the Chapter 125-61 law; and

WHEREAS, the Town Board has determined that enforcement of the Chapter 125-61 law would require persons involved in new construction to hire specialized persons to determine compliance with those standards which in turn would add significant additional costs for new construction in Rhinebeck; and

WHEREAS, the Town Board is informed there are a limited number of experts in the area who are able to certify compliance with Green Building law standards and it is doubtful that all local builders are capable of meeting the standards set forth in Chapter 125-61; and

WHEREAS, the Town Board has been advised that the best way to implement green building standards, in addition to state building code laws, is through tax abatements which, at this point, the Town cannot afford because of the tax caps on the Town budgets.

WHEREAS, since enactment of the Chapter 125-61 law, the State of New York revised the Commercial Energy Code in 2014 and is in the process of revising the Residential Energy Code, in manners which will make the requirements of those codes more energy efficient than they were when the zoning law was enacted in 2009; and

WHEREAS, the Attorney to the Town, at the request of the Town Board, drafted a proposed Local Law repealing Chapter §125-61 of the Town Code; and

WHEREAS, the Town Board commenced the local law adoption process for said Local Law on February 22, 2016 and conducted public hearings on said law on March 14, 2016, March 28, 2016 and April 11, 2016 and closed the public hearing on April 11, 2016; and

WHEREAS, the Town Board has conducted an Environmental Review of the action, as lead agency, and has determined that the Local Law does not have the potential for any significant environmental impacts and that a Draft Environmental Impact Statement shall not be required; now, therefore, be it

RESOLVED, that the Town Board hereby adopts Local Law No. ____ of 2016 A Local Law Repealing Chapter 125-61 of the Town of Rhinebeck Code and directs the Town Clerk to file said Local Law with the office of the Department of State as required by law.

**TOWN OF RHINEBECK

BE IT ENACTED by the Town Board of the Town of Rhinebeck as follows:

SECTION I – TITLE OF LOCAL LAW

This Local Law shall be entitled “A Local Law Repealing §125-61. of the Town of Rhinebeck Code entitled “Green Building Standards”.

SECTION II – LEGISLATIVE INTENT, FINDINGS AND PURPOSE

The Town of Rhinebeck by Local Law No. 6 of 2009 enacted a Zoning Law which has been codified as Chapter 125 of the Town of Rhinebeck Code. Section 125-61 et. seq. of the Code entitled “Green Buildings Standards”, sets forth standards for green building projects and requirements for the filing of: (1) completed LEED-NC or LEED-Home Checklists in conjunction with certain residential and commercial new construction within the Town and requirements for achieving minimum LEED certification ratings in accordance with certain threshold standards set forth in the Code or (2) other standards adopted by the Planning Board . The Town Board, on advice from its planning and legal consultants, had determined that the Town was not prepared to implement this provision of the Code and as a result issued moratorium on the implementation of §125-61 et. seq. of the Code by Local Law No. 1 of 2013. Local Law No. 1 of 2014 and Local Law No. 2 of 2015.

The Town Board has been informed that §125-61 et. seq. of the Code was adopted without a full study of whether such law was appropriate for the Town. Several Town Board members have held a symposium to obtain the views of local builders and architects as to the appropriateness of Town mandatory build green standards in addition to those mandated by State law. Thereafter several Town Board members met with local persons who are knowledgeable about the standards prescribed in the Green Building Law. The Town Board has determined that enforcement of the Green Building Law would require persons involved in new construction to hire specialized persons to determine compliance with the standards which would add significant additional construction costs. Additionally, there are currently a limited number of experts in the area who are able to certify compliance with the Green Building Law Standards and it is doubtful that all local builders are capable of meeting those standards. There are currently Green Building Standards in the State Building Code. The Town Board has been advised that the better way to implement Green Building Standards in addition to the State Building Code is through tax abatements which, at this point, the Town cannot afford because of the tax caps on Town Budgets. The State of New York revised the Commercial Energy Code in 2014 and is in the process of revising the Residential Energy Code in matters which will make the requirements of those Codes more energy efficient than they were when the Green Building Law was enacted in 2009.

For all of these reasons, the Town Board has determined that it is in the best interests of the Town and its citizens and taxpayers to repeal §125-61 of the Zoning Code.

SECTION III – REPEALER

Section 125-61 of the Code of the Town of Rhinebeck is hereby repealed in its entirety.

SECTION IV – SEVERABILITY

The invalidity of any provision of this Local Law shall not affect the validity of any other provision of this Local Law which may be given effect without such invalid provision.

SECTION VI – SUPERSESSION OF THE TOWN LAW

This Local Law is hereby adopted pursuant to the Municipal Home Rule Law §10(1)(i) and (ii) and Subparagraphs (a)(11) and (12) and shall supersede all applicable provisions of the Town Law, and all applicable provisions of Local Law No. 6 of 2009..

SECTION VII – EFFECTIVE DATE

This Local Law shall take effect immediately upon filing in the Office of the New York State Secretary of State in accordance with Section 27 of the Municipal Home Rule Law.
